Dears Ms. Gallagher:

I have just been informed that Gallagher & Gallagher has been awarded a contract in the amount \$25 Million from GSA. Congratulations!

Gallagher & Gallagher is certainly a nationally recognized award-winning firm. The commitment you made from your conception in September 1990 has led to your success and renowned reputation. Your efforts are to be applauded and certainly have not gone unnoticed.

I wish you continued success.

My best.

Sincerely,

A handwritten signature in blue ink that reads "Arlen Specter". The signature is fluid and cursive, with the first name "Arlen" being larger and more prominent than the last name "Specter".
